Per your request, I am writing to request consideration for reappointment as a member to the Town of Warwick Conservation Board. In the past I have noted my interest in the Issues and Duties with this position. I've also noted my being constructively engaged in the Conservation Board's affairs.

At this time, I wish to note I've been conscious of the current state of the Economy. I have never applied for a municipal voucher or asked for reimbursement from the Town for the fees related to training, education or seminars; but rather, I use the expense as an itemized deduction on my personal Tax return. These are listed as an expense in a volunteer capacity under the Charitable Contribution category. Enclosed are 2 examples of training certificates I've received in the past year.

Yours Truly, Mark D. Wheeler
