Subject: Warwick Town Park

To Whom it may concern,

I am Jeffrey Corbran, I have been visiting the park for 5 years now to enjoy the sport I came to love DISC GOLF!! When I first started I had no idea how much work went into keeping this course (now courses!) looking as good as it does. Aside from some volunteer work I know now that it is the Town Park crew that has a commitment to this course to keep it one of the best (if not THE best) in the north east area.

I haven't been to many parks but I have seen quite a few within 3 hours of Warwick and I testify right here, right now that Warwick Town Park wins hands down as the best place to play. Most scenic and lush. A pleasure and absolutely addictive to play golf here. I would go everyday if I could!

I have encouraged others from other areas to come to Warwick to experience a championship course. I mention Warwick at tournaments and people who know the course tell me how lucky I am to live so close. I am planning a Disc Golf outing with a whole group of people I work with. Many of them have never played the game. I am excited to introduce the game to them at such a great place.

Thanks to all of the parks crew!!!! You make it happen for the Golfers, the walkers, the dogs, the soccer players, the baseball players!!! Awesome job.

Thanks again! see you at the Park!

RE: PIPA Subdivision - 532.0305PIP
Landscape Bond and Inspection Fee

LAB 06/07/12.

Dear Mr. Sweeton:

Lots 2 & 3 on PIPA Subdivision
are now 49-2-33.22 and 49-2-34.3.

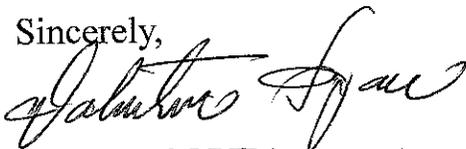

In February 2008, we paid \$3,200 for the 3-year Landscape Bond and \$128 Inspection Fee as required by the Planning Board Engineer for our subdivision. A copy of his letter is attached.

In the letter Mr. Wojcik states that the development will occur in a prompt, timely manner. It has been four years since our approval. With today's economic situation, we have no plans in the foreseeable future to develop these two parcels.

We, respectfully, ask the Town of Warwick to return these moneys to us at this time.

If and when the time should come that we would develop these parcels, we would once again post this Bond and pay the fees required prior to obtaining a building permit.

Sincerely,

VALENTIN PIPA

See me

Mr. Sweeton & Town of Warwick Board members,

We at Church Communities Bellvale have received conditional approval from your planning board for our application of our forestry stewardship program. One of the conditions of approval and prior to applying for a permit to implement/ continue our program is a requirement to establish an escrow account under the board's jurisdiction to cover possible site inspection fees that may be incurred in the future. We respectfully request that the board considers transferring any remaining money in the planning board escrow account to establish the new site inspection fee account.

Respectfully,

Subject: Thank You for Maintaining Warwick Town Park

Greetings Mr. Sweenton,

On behalf of myself, my family and my friends in the Skylands Flying Disc Club, THANK YOU, THANK YOU, THANK YOU for maintaining and supporting the Disc Golf course at Warwick Town Park.

My pregnant wife and I are such big fans of the park that we recently moved across the street, our driveway is 50' from the 3rd tee pad of the course.

After playing a round of Disc Golf in each of the 50 States, I can honestly say that the course at Warwick Town Park is truly one of the best Disc Golf courses in the country.

Bill and his crew are AMAZING. Over the years they have improved and kept the course immaculate. The top notch course looked and played great this past weekend as the local club held a charity tournament that raised \$7700 for Hospice, hosting 70 players from Warwick, surrounding towns, and neighboring States.

This coming weekend my family is hosting another charity event at our farm in conjunction with the park to benefit Ultimate Peace, an organization that uses the non-contact, self-officiating sport of Ultimate Frisbee to build bridges of friendship between Israeli & Palestinian youth. We will be hosting neighbors and friends from the greater NY area to come enjoy our farm as well as the Town Park. We'd rather live nowhere else.

Thank you and your team for your continued support of the world class Disc Golf course at Warwick Town Park. It would not be without you.

Warm Regards,

Joe Gara
