Re: **Marginal Access Road
Warwick, New York
Bid Summary and Award Recommendation**

Dear Supervisor Sweeton:

Below is our Bid Summary and Award Recommendation for the Marginal Access Road project:

Project Advertisement:

The Advertisement for Bids was published in the Warwick Dispatch on June 17, 2015. Four companies subsequently purchased the plans and specifications:

Contractor
McNamee Construction Corp.
Sita Construction Co., Inc.
Earth-Tec Associated, Inc.
Allied Excavating, Inc.

Bid Opening/Review:

The bids were opened publicly and read aloud at the Town of Warwick Town Hall at 10am on July 14, 2015. All four contractors that picked up the bid provided sealed bids; below is a listing of the contractors and the total amount of each bid amount:

Contractor	Amount
McNamee Construction Corp.	\$515,140.00
Sita Construction Co., Inc.	\$494,980.00
Earth-Tec Associated, Inc.	\$342,165.50
Allied Excavating, Inc.	\$236,380.00

Contractor Evaluation:

HDR reviewed the Bidder Qualification Statement that was prepared by the lowest bidder (Allied Excavating, Inc.) and determined that Allied appears to have the experience required to perform this work. The workload analysis shows that several of Allied's projects are on-going but the company appears to be able to meet the Town's requested schedule.

Award Recommendation:

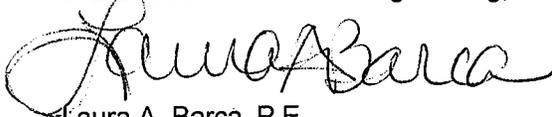

Based on the information obtained Allied Excavating, Inc. appears to be the lowest responsive and responsible bidder. **Based on the information presented, HDR recommends that a contract for construction of Marginal Access Road project be awarded to the lowest responsive and responsible bidder, which is Allied Excavating, Inc.** This recommendation

is conditioned upon satisfactory review of bonds, insurance, and the bid package of the recommended bidder by the Town's legal counsel. HDR further states that this review does not imply that the equipment and materials proposed by the recommended bidder has been formally evaluated and approved.

If there is a need for additional information, please contact me at (845) 294-2789.

Sincerely,
