Proposal Submitted To: *Town of Warwick*

August 28, 2013

We hereby propose pricing for all labor and material to furnish electric work as described below.

Proposal for the following: *Fairgrounds Pump Station*

Remove existing 600 amp Nema 3R automatic transfer switch and supply and install new transfer switch. Make all required connections. Do an auto transfer to ensure switch and generator are working properly. Set up temporary lines to power building from generator when power is off.

Total Cost for 600 amp 3 phase 208 auto transfer switch and labor: \$ 7,700.00

If for any reason it becomes necessary for collection of payment, you are hereby responsible for any reasonable attorney's fee in connection with said payment. Unless otherwise noted all terms are net 30 day with 1 ½ percent late charge per month.

Acceptance of Approval

The above specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as specified as above.

TERMS & CONDITIONS:

Quote subject to Kinsley Power Systems' General Terms and Conditions. General Terms and Conditions available upon request.

- INSTALLATION**
(not included) Defined as to include but not limited to; rigging, wiring, plumbing, fuel or fuel for testing, unless noted. All "Shipped Loose" items are to be installed by others; including enclosure hoods, stacks, stairs, silencers, etc.
- ESTIMATED SHIPPING** Ship dates are best estimates only. Therefore, Kinsley Power Systems is not responsible for incidental or liquidated damages.
- TERMS** Net 30 days from shipment date or prior to start-up whichever comes first; subject to credit approval. We reserve the right to charge 1.5% on accounts over 30 days past due. Our price does not include sales tax or installation. If the manufacturer will allow order to be cancelled a re-stocking charge will apply. Orders placed on in-stock items which are not shipped or picked up after 15 days of order date will be returned to inventory for sale to others. Factory-ordered units shipped to a Kinsley facility for temporary storage due to customer payment or jobsite readiness issues are subject to storage fees of 1% per month unless order is paid in full.
- CANCELLATION/BILLABLE DELAYS** A mutually agreed to, signed change order is required for any contract changes.
- CONTRACT CHANGES** None
- RETAINAGE** F.O.B. Factory, Freight Allowed; Tailgate Delivery, Off-loading by others.
- FREIGHT** One set of manuals is included with each unit. Additional manuals can be ordered at additional cost.
- MANUALS** Manufacturer's standard warranty terms and conditions apply.
- WARRANTY** Start-up service is during normal business hours. After hours or weekend start up is available at an additional cost.
- START UP**
