Re: **Release of Katelyn Court / Paradise View Estates Performance Bond
Irrevocable Stand-By Letter of Credit No. 1118**

PB000

Dear Mr. Sweeton,

The Town Board received a letter from Douglas M. Jones, Attorney at Law, who represents Robert Knebel General Contractor, Inc. dated April 22, 2013. The letter requested that a bond in the amount of \$23,000 (Irrevocable Stand-By Letter of Credit No. 1118 issued by Riverside Bank) be released because the Town of Warwick is now the titled owner of Katelyn Court. I conducted a site inspection on April 23, 2013 and determined that the construction of the road was not complete at that time (the top course was not yet installed). I did not recommend releasing the bond at that time.

The Town Board received a letter from Robert Knebel dated December 08, 2014 requesting the release of this same bond (Irrevocable Stand-By Letter of Credit No. 1118 issued by Riverside Bank). I conducted a site inspection on December 23, 2014 and determined that the top course has been installed satisfactory and the bond can now be released.

Re: Appointment to Greenwood Lake Commission.

Mr. Sweeton,

I'm seeking Warwick Town Board appointment to the Greenwood Lake Commission. Have recently moved to Greenwood Lake from West Milford, where I currently serve as one of two appointees to said Commission. During the past 12 years I have held the positions of NJ chairman, secretary and am currently the treasurer. My familiarity with all issues involving Greenwood Lake and surrounding communities to the state level, in NY and NJ, have provided continuity and aided with ongoing programs such as: weed harvesting, bank stabilization, silt removal, storm drain maint, debris/stump removal, herbicide application, funding, administration and compliance, 5 year drawdown, community education and public relations.

Thank you for your consideration in this matter.

Sincerely,

Eric Hastings

Warwick, NY 10990

Dear Supervisor Sweeton,

On December 18, 2014, the Orange County Legislature approved a resolution to apportion and levy expenses against the cities and towns in the County of Orange to pay a portion of three elections, the June 24th Federal Primary Election, the September 9th State & Local Primary Election and November 4th General Election expenses incurred by the County in 2014.

Section 3-226 of the New York State Election Law provides that all or any part of the type of expenses connected with elections and matters preliminary or relating thereto that were previously incurred by towns and cities, may be apportioned to a city or town.

Section 361-a of County Law provides for the levy of unpaid expenses upon the tax rolls of the said towns and cities in the next succeeding year.

The charge to the Town of Warwick for cost associated with the three elections in 2014 is \$67,841.54. All checks are to be made payable to the Commissioner of Finance and mailed to the Orange County Board of Elections at 25 Court Lane, PO BOX 30, Goshen, NY 10924 by March 1, 2015. Uncollected charges shall be levied on the 2016 tax rolls of said towns and cities.

Highlands Gran Fondo
Gran Fondo National Championship Series®

We are contacting you with regard the 3rd annual Highlands Gran Fondo, a Gran Fondo National Championship Series® (GFNCS) event proposed to be staged from Craigmear Recreation Complex; approximate to the intersection of Green Pond Rd and Jacobs Rd in Rockaway, NJ on Sunday June 7, 2015. Start time is 7:30 AM. This event is a bicycle ride that travels through several area towns and counties. This letter is to describe the planned route and safety procedures as well as the mission of this Gran Fondo National Championship Series® event. The Highlands Gran Fondo will have 26 mile, 58 mile, and 98 mile routes that will offer all individuals the opportunity to challenge themselves. This event will run much the same as it was in 2014.

The Highlands Gran Fondo raises funds for the Patriots Path Counsel Boy Scouts of America. Much like this event, the Patriots Path Counsel Boy Scouts of America stress a healthy lifestyle. Our mission for the event is to inspire both, youth and adults, to engage in athletic recreation, to focus on goal-setting, health, fitness and wellbeing. We want to promote and grow recreational activity in the area through the safe coordination of a cycling event. We are looking to educate the community about physical and mental health as well as generate funds for local community outreach. This is also a great opportunity to highlight the Highlands area, as a beautiful recreation destination.

A Gran Fondo is a cycling discipline that has existed in Europe for some time and is now becoming very popular in the USA. The Gran Fondo National Championship Series® events are not standard bicycle races. The events focus much more on the recreational cycling experience while still providing a competitive environment to promote the interest of serious cyclists and racers. The event will have four timed sections within the longest route. The timed sections will be held in low traffic areas with few to no traffic control locations needed. During all non-timed sections of the event, cyclists will obey the traffic laws and the event will run the same as a standard recreational ride. The times for each rider will then be calculated to combine their time over the four sections; placement and awards will be presented to those riders who do the best in their age and gender categories. Points in each category will be collected to determine the Gran Fondo National Championship Series® winners. This event will run the same as it was in 2014 & 2013.

Included in this overview are maps, route descriptions, and an incident accident plan that defines local emergency services, and emergency procedures. Upon request/approval, an insurance certificate naming and meeting the requirements of your town/township/municipality will be provided prior to the event.

Time Line and Overview of Event Progression

The Highlands Gran Fondo is proposed to start and Craigmear Recreation Complex; approximate to the intersection of Green Pond Rd and Jacobs Rd in Rockaway NJ. We will have volunteers and police along the route to assist with directions and to support the riders. We will coordinate with each police department to cover intersections of concern within their jurisdiction. Traffic control will be much the same as in 2014. Please respond with any feedback or suggestions you might have.

The event is proposed to start at 7:30 AM on Sunday June 7, 2015. At first the riders will be grouped more tightly together, but because this is not a standard race, the riders will then spread out rather quickly. As the day goes on, there will be larger gaps between the riders. We anticipate having 500 cyclists for this year's event. With an estimate of 50 riders doing the 26 mile course, 100 riders doing the 58 mile course, and 350 riders doing the 98 mile course.

Timeline to note the progression of riders

Mile	Estimated time of first riders	Estimated time of the major majority 90% of riders	Estimated time of last riders
Start	7:30 AM	7:30 AM	7:30 AM
10	7:55	8:05	8:15
20	8:25	8:55	9:20
30	8:55	9:45	10:25
40	9:25	10:35	11:30
50	10:00	11:25	12:30
60	10:30	12:15	1:30
70	11:00	1:05	2:30
80	11:30	2:00	3:30
90	12:00	2:55	4:30
finish	12:25	3:55	5:30

There will be a lead event vehicle on the course to verify that all turns/intersections are marked appropriately. There will also be two to four other event vehicles on the course supporting cyclists.

In addition to reusable signs to mark the course, we are planning to mark the roads with spray chalk, NOT spray paint. I have used this product for many years and, though it does not disappear immediately, it fades and within a month or two is almost gone. That said if you look at it closely you will be able to see it for about three months. Here is a link to the product <http://www.rainbowracing.com/onlinestore/spray-chalk>. It last longer than the 20 days they claim. Please let me know if you have any concerns about us using this product.

INCIDENT ACTION PLAN: NJ Highlands Gran Fondo

The purpose of this Incident Action Plan (**IAP**) is to identify and mitigate any potential risks associated with the planning, implementation and successful completion of the event referenced below. The parties that are planning and coordinating this event are committed to ensuring that all participants, sponsors, community members and emergency personnel are able to partake in the event in a safe and organized manner. Prior to the event on site personnel will be advised of this action plan and their duties during an actual emergency as well as given a copy. The procedural information contained herein will be strictly adhered to.

Title of Event: Highlands Gran Fondo

Date(s) of Event: Sunday June 7, 2015; Start 7:30 AM

Event Description: Bicycle ride

Medical Emergencies Procedure

For emergency call 911. All medical emergencies will be reported to Police, EMS or event personnel as soon as possible either in person or via phone. Event personnel, when notified, will call directly to 911 or notify on site EMS or Police and report the incident/problem. Responding emergency vehicles will enter the event as directed or depending on the location of the emergency a location determined by Police or EMS. The on-site person in charge or event coordinator will make sure an area is open to allow emergency personnel, vehicles and equipment to access the event grounds whenever emergency assistance is needed and this access shall be maintained throughout the event. The nearest hospital for receiving patients will be determined by the local EMS service responding to each incident (hospital address and contact information are located at the bottom of this form). If the event plan includes a private EMS provider on scene they will provide on-site care. If the on-site private EMS provider must leave the event prior to its conclusion they must notify the on-site event coordinator and the police prior to leaving and if required arrange for additional EMS during their absence.

Police Emergencies

For all police emergencies on site police personnel are to be notified or 911 called immediately. Local police contact information are located at the bottom of this form.

Fire Emergencies

For all fire emergencies, 911 will be called or on site event personnel and on site police personnel will be notified with the exact location and type of emergency. On site personnel will assist with evacuation. Vehicles should not be moved during an emergency response. It is recognized that exiting traffic would inhibit and/or place arriving emergency responders and exiting individuals in peril. (Local fire department address and contact information are located at the bottom of this form).

Lost Child Procedure: Police and on site event personnel will be notified. In the event of a lost child is found he/she should remain at the location he/she is found at unless the location is unsafe or impractical or until it is determined that it is impractical to remain at the location. The child, if able, will be asked to provide parent/ guardian information. If audio equipment is available an announcement of the situation may be made at the decision of on scene police personnel. The child will remain under the supervision of police personnel or their designee who will ensure the child is comfortable and safe until his/her parent/guardian arrives. Parental identification shall be verified prior to release of the child.

Weather Emergency: In the event of any weather emergency the police, event coordinator or on site event personnel may decide to halt the event for the safety of participants and the public. At no time will the decision to halt an event due to a weather related event by the police be overridden by others. Coordination for the safety of participants and spectators will be accomplished by the event personnel verbally advising participants to seek shelter in vehicles or buildings.

If and when the weather emergency has passed, a decision will be made by police personnel and the event coordinator as when to allow the event to resume.

Communication Plan: All on site event personnel, event coordinator, EMS, fire and police personnel must have a means of communication during the event. This will be accomplished by direct communication with the local police from event director, Reuben Kline. That assigned individual will have communication with workers and volunteers whom are stationed throughout the event. The workers and volunteers shall be advised and instructed who to contact in an event related emergency
