On Sunday August 5th, 2018 from 6:30pm to 11:00pm, GWL Skatepark Corp. will host its “2nd Annual DoItForDale! Summer Concert” to raise funds and awareness for building a professional concrete flowpark-style skatepark in the town of Greenwood Lake, NY. The concert will take place at Thomas P. Morahan Waterfront Park (7 Windermere Avenue, Greenwood Lake, NY 10925) with beautiful Greenwood Lake forming the backdrop. The concert will feature a range of bands and music types and will be organized for the second year in a row by Colleen O’Brien, a former classmate of Dale Hirrel, the teenager tragically killed in April of 2016 and in whose memory we are dedicating GWL Skatepark.

GWL Skatepark Corp. (www.gwlskatepark.com) is a fully registered 501(c)(3) charitable organization dedicated to raising the \$300,000 funds required to build the proposed GWL Skatepark in Memory of Dale Hirrel, which will provide a safe, fun and controlled environment for skateboarding, inline skating, scootering, and/or bmx riders of all ages to practice their sport and socialize with like-minded enthusiasts and their families. Dale Hirrel was a popular local youth who loved skateboarding and always dreamed of having a park in his local town, and our objective is to make that dream a reality and keep the memory of Dale alive.

Our 2017 concert event was a tremendous success raising over \$7,000 towards the skatepark and helping to bring our current total raised to over \$17,000.

In addition to the bands that gave their time for the cause last year, we were also supported by many local businesses and individuals who came out in force to show their support and illustrated how the whole community has come together around this project.
