Warwick, New York

Distance from New York City: 55 miles

Suggested Itinerary:

1. Stop at [Warwick Valley Winery & Distillery](#), known for its fruit liqueurs and draft ciders. Visit on a weekend and sip local drinks while enjoying live music. And you'll want to stay for lunch—the winery's Pané Café serves fresh pizzas, sandwiches, and salads.
2. See a double feature at one of the 350 remaining drive-in movie theaters in the country. The [Warwick Drive-In Movie Theater](#) screens current blockbusters, but you'll get a fully vintage experience—two screenings for \$10, an old-timey snack bar, and a movie night under the stars.
