Motion Supervisor Dwyer, seconded Councilman DeAngelo to accept the minutes as written from the Public Hearing held on September 26, 2024 for Introductory Local Law # 7 of 2024 to Exceed the Tax Cap.

Motion Carried (5 Ayes, 0 Nays)

Motion Supervisor Dwyer, seconded Councilman Mattingly to accept the minutes as written from the Public Hearing held on September 26, 2024 for Introductory Local Law #8 of 2024 Amending Chapter 112 Peddling and Soliciting.

Motion Carried (5 Ayes, 0 Nays)

CORRESPONDENCE:

JOHN RADER- Police Chief, Letter dated September 30, 2024 to the Supervisor & Town Board regarding a request to purchase copier and (15) Laptops.

SUSAN FERRO – Executive Director, Winslow Therapeutic Riding Center. application to the Town Board requesting the Town's support for the FY-2025 CDBG application of \$25,000.00.

KAREN A. AMUNDSON & PETER BARLET – Town Justice, Town of Warwick. Letter dated September 24, 2024 to the Town Board requesting to appoint a Court Attendant.

VISITING OFFICIALS – No visiting elected officials were present.

REPORTS OF BOARDS AND DEPARTMENT HEADS:

POLICE CHIEF RADER - Thank you, Mr. Supervisor. My report will be brief tonight. Our department was in full force at Applefest this past Sunday. There were no major incidents reported. We were assisted with explosive detection canines, and officers from the City of Newburgh, Town of Woodbury, Town of Chester, the Regional Tactical Response Unit, Village of Greenwood Lake, New York State Police, and the Orange County Sheriff's Office.

The Lieutenants, the Sergeants, and I completed a four-day leadership training seminar last week hosted by the Orange County Police Chiefs Association and the Orange County District Attorney's Office. The training was part of an ongoing commitment by the Police Chiefs Association's Police Academy to provide advanced and professional training for the agencies throughout our county.

There will be a Halloween parade in the Village of Warwick on October 31st beginning at 5 p.m. We advise the public to expect detours and delays during that parade and to be cautious of the children who will be trick-or-treating before and after the parade.

We attended the 70th anniversary of the Greenwood Lake Ambulance Corps on October 5th and will be at the Pine Island Ambulance Corps' open house on October 20th.

The fire departments in the town are currently conducting fire prevention activities in the schools and throughout the community and we're proud to have the great working relationship we have with these volunteer emergency services agencies in the town and we're happy to support their events.

I have nothing further unless there's any questions from the board.

SUPERVISOR DWYER - I just want to commend you and your department for the job well done at Applefest. Thankfully nothing happened but I think in part things like don't generally happen at this particular event because of the collaboration that you've put together with multiple agencies and multiple departments and the hard work and the planning that goes into the safety and security for that particular event and it was just a job well done all around but as the coordinator of that I want to thank you and congratulate you.

POLICE CHIEF RADER - I appreciate it. It takes about a year to plan that day so, I definitely appreciate the notice it took. Thank you.

DPW COMMISSIONER ASTORINO - Good evening, everyone. The work that was completed, we are 95%, we will be 95% done with our paving program for 2024. Hopefully as of tomorrow end of work. This last period we paved Horizon Farms, Sills Court, Mountain Lake Park the loop road, Tiedemann Court and we did Jarmain and we started Mount Eve today. They had a breakdown at the plant so that's why that was halted. We

also put in culvert pipes on Arbor Court. This last section has been about 250 feet of 15-inch culvert pipe. We're repairing the basins as we go. Every culvert pipe under the road at Arbor Court is rotted out. So, we're starting from the top, working our way down, replacing it with plastic HDP pipe and that will be on the list. It will be patched for the winter and it will be on the list for paving next year. I think it's warranted. We did do a driveway pipe at 209 Jessup Road. That was a 12-inch pipe. We are out still ditching. We completed Wheeler Road and we're on Big Island Road right now.

Our vehicle maintenance, we are probably three quarters of the way through our fleet prepping for the winter. That's tires, brakes, whatever is needed on those trucks. Inspections, probably another two weeks the wing plows will go on the trucks in anticipation of the winter. As of right now our salt, we are completely fully stocked with salt and grit. As we go through the winter, obviously we will get it as we need it. Road signs we replace as needed. Mowing, we are still out mowing some roads. Potholes, we are out filling with hot mix. We replenished our item 4 stock in the back. I believe they fixed the county road water main when I was gone.

I do want to publicly thank Foreman Walter Schultz. He did a commendable job while I was gone. I really appreciate it. He stood up and did a great job. Thank you.

SUPERVISOR DWYER - I will second that. Walt did a great job as he always does. He was in my office every morning just as you are. Going over the plans for the day and talking about what needs to be done. He did a great job even though we had some challenges while you were gone. That's all right. We managed it quite well. I just want to congratulate you on your daughter's wedding this weekend.

DPW COMMISSIONER ASTORINO - Thank you.

SUPERVISOR DWYER - I hope you have a great time.

DPW COMMISSIONER ASTORINO - Thank you so much.

WATER & SEWER DEPUTY DPW COMMISSIONER MCPHERSON - Good evening. This will be short tonight. I just wanted to report the day-to-day routine operations and daily maintenance things are being done and completed every day. All our stops are being checked daily, samples collected, and the reporting is being done. We are looking at scheduling a routine hydrant flushing in all water districts the last week of October, the 28th through the 31st.

The Westside-Greenwood Lake summer system will have the water turned off as always on October 15th. They may continue to have water for a day or so until the tank runs dry. As mentioned in my previous report, we are working on a lead service line inventory for all water districts. This is a state mandate to document and investigate the potential existence of lead water service lines. We will have a submission finally completed early next week, which is due by, the deadline is October 16th, but we will continue to work and gather data into the new year.

For the main wastewater treatment plant, the plant has experienced very costly equipment failures, such as the rapid sand filters, and it's made it difficult to comply with our current SPDES 0permit. We had a meeting with the New York State DEC to discuss the state of the wastewater treatment facility and the possibility of going to an order of consent. This would take into account the current capabilities of the wastewater treatment plant and set interim limits to allow us to be in compliance as we continue to work toward an upgrade for the facility. We are also continuing to explore additional funding to help assist with the upgrades to the facility. We have a meeting the 29th to look at VFC funding. That concludes my report.

SUPERVISOR DWYER - Matt, just do me a favor and make sure you remind me a week before you do the flushing so that we can put in the newspaper, website, Facebook, and also the code red alert system that we have.

WATER & SEWER DEPUTY DPW COMMISSIONER MCPHERSON – Okay.

SUPERVISOR DWYER - Just to notify everybody because we tend to get dirty water with that.

WATER & SEWER DEPUTY DPW COMMISSIONER MCPHERSON - For sure.
Yeah, low pressure, dirty water.

RECREATION DIRECTOR SAM WALTER - Thank you, Supervisor. Ben had mentioned that they paved the loop around the park and I would encourage you to come out and take a look. It's amazing. The pickleball players love it. It's a smooth ride. You're not trying to avoid potholes. I'm sure that all the folks using the pool in the summer are going to really enjoy it and anybody that uses the housing actually goes around that loop because it's one way as well. So, thanks for getting that done.

DPW came out and actually fixed a little area where there was a pretty good size lip between the new pavement and the handicap ramp. They came out with the hot box and they did fix that right away. So that's awesome that you guys did that too. Thank you so much for that.

The fire department came out and had the truck out for the preschoolers. They had a lot of fun with that as always. So that's a great service that they do to the community every year. I just wanted to also remind you about the pollinator planting project that's happening on Monday. We're going to have Sustainable Warwick, Orange Environment, and Girl Scouts out all helping to plant by the pickleball court. So, it's a really nice community project. It should look really nice when it's done. But the plants are going to be small to start and take some time to grow in.

For some upcoming events, Core Theatre Group is going to be presenting Boo Ha Ha on Friday, October 25th and also two shows on Saturday the 26th at the park. You can find information either on Core Theatre Group's website or the park's website for that.

Then lastly, I just wanted to tell you that the hiking trails are getting a lot of use right now. and it's really nice to see. So, we've had the preschoolers out, the scouts out, people coming out. Where are the trails? They get on them. So, it's been really nice fall hiking so far and that's it for my report.

TOWN BOARD REPORTS:

COUNCILMAN DEANGELO - The Post Report for September 2024 is as follows: Greenwood Lake had 137 calls, the Town outside the Village had 843 calls, Pine Island had 252 calls, the Village of Warwick had 731 calls, the Greenwood Lake Volunteer Ambulance District had 54 calls and the Village of Florida had 45 calls for a total of 2,062 for the month of September.

The Warwick Valley Humane Society assisted the Town of Goshen Police with the seizure of over 100 rabbits and chickens subject to deplorable living conditions in makeshift enclosures filled with feces. Some kept in a dimly unventilated garage.

The shelter is in serious need of supplies for these animals and is asking the community for donations of the following. Chicken feed, chicken scratch, dried mealworms, rabbit pellets, pine shavings, wee-wee pads, Carefresh bedding, and newspapers. The animals are not yet available for adoption pending the court's determination.

October is Adopt a Shelter Dog Month. The Warwick Valley Humane Society has a baker's dozen of various breeds and mixes in all range and sizes and ages. Their homeless canines are the unclaimed strays or given up pets for a myriad of reasons for no fault of the dogs from our own community. Please visit humane.org to see all of our dogs waiting to be adopted or complete the dog adoption application. If you want more information, you can call 845-986-2473.

The Friendly Visitor Program for the month of September, had the following number of neighbors assisted was 24. The number of volunteers assisting those neighbors was 18. For an incredible number of services of 183 for the month. Those 18 members, I'm sorry, those 18 volunteers did 185 services, which I find just amazing. That's all I have, sir.

COUNCILMAN KOWAL – No report.

COUNCILMAN MATTINGLY - The Warwick Valley Chamber of Commerce will hold a networking mixture at Ana's Restaurant, 22 Spring Street in Warwick on Thursday, November 4th, 5:30 p.m. to 7:30 p.m. The Chamber's annual gala, they asked that we save the date, Red Tail Lodge at Mountain Creek on Thursday, November 21st from 6:00 p.m. to 10:00 p.m. Sponsorships start at \$250 and individual tickets are \$85.

Upcoming ribbon cuttings, Marie's Floral Designs, 10 Main Street in Warwick on Friday, October 11th. That's tomorrow at 5 p.m. Tri-State Performance Nutrition, 622 Jersey Avenue, Suite 1 in Greenwood Lake on Monday, October 21st at 4:00 p.m. and Edenville General Store celebrates its 10-year anniversary, 240 Pine Island Turnpike. That's on Friday, October 25th at 4:00 p.m.

Other events around Warwick and the rest of the town. There's a Makers Market this weekend, Saturday and Sunday from 10 a.m. to 5 p.m. A variety of locally crafted goods at Lewis Park in the Village of Warwick. Admission is \$3 per person, which supports the Warwick Valley Historical Society and Wickham Works.

Pine Island will hold its Pumpkin Fest at the Pine Island Park on Monday, October 14th. That's this Monday, Columbus Day, from 11:00 a.m. to 3:00 p.m. Admission is \$10 per

child. St. Anthony's Hospital holds a blood drive on Thursday, October 17th from 9:00 a.m. to 3:00 p.m. That's again at St. Anthony's Hospital, 15 Maple Street Entrance B. The Warwick Valley Community Center will hold its Haunted House from October 24th through 26th. I believe that's a Friday, Saturday and Sunday from 6:00 p.m. to 9:00 p.m. 11 Hamilton Avenue in Warwick. Admission is \$10 and then readmission is \$5 if you want to go around twice. All proceeds benefit the Warwick Valley Community Center. That is all I have for this evening.

COUNCILMAN SHUBACK – No report.

ATTORNEY BUCKHEIT - My report is largely confidential, as you're quite familiar with hearing me say. I'm prepared to answer any questions. I would comment favorably upon the wonderful execution of Apple Fest. The obvious security was very present. I saw that from 6:30 in the morning when they were setting up to the completion of the event. It reflects very favorably upon our police department and its leadership. I think that's one of the reasons the event goes without incident. I would thank them for that.

Village of Warwick for Registrar	900.00
Village of Florida Registrar	150.00
Total Non-Local Revenues	16,894.26

SUPERVISOR DWYER - My report is basically just an update and a summary of the public workshop that we had before this meeting where I updated the Town Board on a lot of the ongoing issues and new things that we're working on. We did start the meeting with a presentation from a potential developer on Sanfordville Road, which is proposing a Senior Housing Development on that property. And they had asked the Town Board to consider increasing the number of units on the parcel of land, which is permitted by town code, but the Town Board feels that it is in our best interest to have this applicant go to the Planning Board for a thorough review on all aspects and then base any decision that we might make on feedback from the Planning Board after their thorough review. So, no decision was or will be made on that by the Town Board.

A paving update was provided by Commissioner Astorino. We appreciate it.

The Town Board is going to go back out to bid on our propane tanks this evening. We've identified that there could be a substantial savings by us owning our own propane tanks. Although it's a very difficult process to do, for some reason, we are going to continue to make sure that we make that change.

I had mentioned the possibility of a pump track with the Town Board and potential siting of that. We'll give out more details as soon as we develop that plan a little bit further. The bike hike update. This is the project that will link Cascade Road, Cascade Lake Park, as well as the Orange County Park, which is called Warwick Park at Orange County, Hickory Hills. This is going to be a hiking trail that will go from Cascade Road to Hickory Hills Golf Course. A long process to get here, I think almost 20 years, but the project should be beginning next Tuesday. So, we look forward to seeing that take shape. It'll create a really nice hiking trail as well as marked bike routes in a completely separate location and it will be a nice improvement for pedestrian access.

I provided the board with an update for Jayne Street Bridge. The grants that we were originally awarded left the town with a commitment or a responsibility of \$460,000 of the total approximately \$4 million cost for construction. We have recently applied within the last week and a half for additional funding through the State to bring our town's cost share for that bridge down to \$4,000. We've gotten a verbal commitment that the funds will be awarded and at this point, we're going to count on it, but we feel confident that we're going to get it. 2025 will be dedicated to the design of the bridge, which we still at this point cannot work on, even though we've been awarded grant funding for the project, we cannot begin the design, but the design will take place in 2025, and the actual construction will be in 2026.

I wanted to formally announce that the Town of Warwick was awarded a \$1 million grant from State Senator James Skoufis' office. Now although this is state funds, it would not have been possible without the support and assistance from Senator Skoufis and his staff. The million-dollar grant will go toward replacing the Airport Park Playground, as well as adding a new kiddie pool at the Town of Warwick's Mountain Lake Park. We found that a kiddie pool would make a lot of sense because young families are using those pools more than anybody else. What this will do is create a safe and a more appropriate setting for young children to learn to swim as well as a safer environment for parents to allow their kids to swim in a shallower pool. I want to thank State Senator James Skoufis for his support, his commitment to the Town of Warwick, and his commitment to the youth within our community. It's an incredible thing and a great grant that we were able to get for the town.

PRIVILEGE OF THE FLOOR (AGENDA ITEMS)

No comments were made from the Town Board or the public.

NEW BUSINESS/RESOLUTIONS:

#R2024-398 REQUEST TO SERVE ALCOHOL AT TOWN OF WARWICK PARKS/RENTAL FACILITIES

Motion Supervisor Dwyer, seconded Councilman Mattingly to adopt a resolution granting permission to the following applicants to serve alcohol at Town of Warwick Parks/Rental Facilities. All applicants have filed a Certificate of Liability and Liquor Liability in the Town Clerk's office:
