

April 11, 2024

The regular meeting of the Town Board of the Town of Warwick was held on Thursday, April 11, 2024 at the Town Hall, 132 Kings Highway, Town of Warwick. Supervisor Dwyer called the meeting to order at 7:30 p.m.

ATTENDANCE: Supervisor Jesse Dwyer
Councilman Floyd DeAngelo
Councilman Russell Kowal
Councilman Kevin Shuback
Councilman Thomas Mattingly

Attorney for the Town, John Buckheit
DPW Commissioner, Benjamin Astorino
Recreational Director, Samantha Walter
K-9 Police Officer, Derek Kerstner

ACCEPTANCE OF MINUTES

1. Regular Meeting- March 28, 2024
2. Public Hearing – March 28, 2024: Introductory Local Law No. 3 of 2024 “Amend Local Law No. 5 of 2023 “2023 a Local Law providing for a partial tax exemption upon real property based upon the owner’s volunteer membership in fire districts and ambulance districts of the town of Warwick pursuant to section 466-a of the real property tax law to include deceased member partial exemption eligibility.
3. Public Hearing – March 28, 2024: 2025 Hud Project - Governing Body Fair Housing Motion Councilman Kowal, seconded Councilman Shuback to accept the minutes as written from the Regular Meeting held on March 28, 2024, the Public Hearing for Introductory Local Law No. 3 of 2024 to Amend Local Law No. 5 of 2023 “2023 a Local Law providing for a partial tax exemption upon real property based upon the owner’s volunteer membership in fire districts and ambulance districts of the Town of Warwick pursuant to section 466-a of the real property tax law to include deceased member partial exemption eligibility and the Public Hearing for HUD Project-Governing Body Fair Housing. Motion Carried (5 Ayes, 0 Nays)

CORRESPONDENCE:

ROBIN & ELIOT MAZZOCCA – Owner, 21 Distillery Rd. Warwick, NY. Letter to the Building Department and Town Clerk dated March 19, 2024 appealing violation #20240025 for their Short-Term Rental.

MICHAEL VILLAROSA – Principal Engineer, Orange County Department of Public Works. Email dated March 27, 2024 to the Town Clerk regarding the request made to lower speed limit on Oil City Road from CR 88 (Liberty Corners Rd) to the Town of Warwick/ Town of Minisink Line. The County has sent all the necessary paperwork to the State.

JERRY DEBOLD – Chairperson, Warwick Valley Rod & Gun Club. Letter received in the Clerk's office April 1, 2024 regarding TAKE A KID FISHING DAY. Fishing will be on May 4, 2024 from 9am-12pm at the Historic Bairds Farm on Bairds Lane in Warwick. The event is open to ALL CHILDREN between ages 5 and 14 years old. Donations can be made out to the Warwick Valley Rod & Gun Club and mailed to Post Office Box 376, Warwick, NY 10990.

MIKE D'AZZOLLINI – President, Every Second Counts, LLC. Email dated April 3, 2024 to the Clerk regarding Child Safety ID Kits. The company's goal is to raise awareness for Child Safety within the communities by partnering with Police, Schools, and other Organizations across the United States. We have also been working with police departments who have purchased our Child Safety ID Kits to distribute them at safety programs for their community such as National Night Out, Back to School, Trunk or Treat, Community Policing Programs, Holiday Giveaways, or distribute them to local schools, as a joint effort to continue to raise awareness for Child Safety.

PATRICK SCOTT & SOHAM DHESI – Residents, Town of Warwick. Letter dated April 3, 2024 to the Town Board making a formal request to have their farm be added to the (APO) Agricultural Overlay District Qualifying Map Area so they may proceed with their application to be included in the Agricultural Overlay District.

JAMES OBROTKA – Building Inspector, Town of Warwick. Letter dated April 3, 2024 to the Town Board recommending the Town refund an application fee for a detached garage.

SUSAN FERRO – Executive Director, Winslow Therapeutic Riding Center. Letter dated March 14, 2024 to the Town Board requesting the Town's support for the FY-2025 Community Development Block Grant application of \$25,000.00.

DEBORAH A. EURICH – Assessor, Town of Warwick. Email to Supervisor dated April 5, 2024 recommending Jennifer Lucas be appointed to the Board of Assessment Review.

KAREN A. AMUNDSON – Town Justice, Town of Warwick. Letter dated April 5, 2024 to the Town Board requesting to appoint a Court Attendant.

ROBERT JACKSON – Bus Driver, Town of Warwick Dial A Bus. Letter dated April 4, 2024 to the Supervisor of Transportation regarding his resignation.

BOARD'S DISCUSSION ON CORRESPONDENCE

Thomas P. Morahan Waterfront Park	Beach opening Memorial Day (passes purchased @ Village of Greenwood Lake Clerk)	Village of GWL
Ben Winstanley Park	Open	Village of GWL
Village of GWL Dog Park	Open	Village of GWL

ENVIRONMENTAL CONSULTANTS REPORT

COUNCILMAN DE ANGELO REPORT

1. The Humane Society, they have new stainless steel exterior gates and insulated chutes for their kennels. They're scheduled to be installed beginning about April 15th. They hope to be able to resurface all of the kennel flooring, both inside and outside, later this spring, with donations from their building fund.

2. A new play yard for shelter dogs was created last fall with a generous donation of sod from DeBuck's Sod Farm.

3. They have a trapped, neutered, returned 47 of about 55 cats from one local colony. Admitting to the shelter 27 friendly cats and placing them up for adoption. This is an ongoing effort with a team of volunteers who have arranged to feed and monitor the returned cats on a daily basis since their caregiver passed away, making this a managed colony once all of the cats have been spayed and neutered. Private donations and funding "For the Feral Fund" supports this effort.

4. We're seeking special "Foster to Adopt" local families for four great Dane female puppies who will eventually weigh about 120 pounds. Dog adoption applications can be downloaded at wvhumane.org under the forms and downloads tab.

5. April is Prevention of Animal Cruelty Month to help raise awareness about animal abuse, which usually includes neglect. They have the Princess Fund established in 2007. Helps them help other victims of animal abuse and neglect with their medical and daily expenses. During their often-long-term recovery period for emotional and physical injuries. Donations to the Princess Fund are greatly appreciated and can be made via PayPal at wvhumane.org or by mail to WVHS PO Box 61 Warwick, NY 10990. They want to thank you and all of the public for the donations.

6. The Town of Warwick Friendly Visitor Program for the month of March the number of neighbors assisted was 31, the number of volunteers helping those neighbors was 24 and the total number of services provided by volunteers for the month of March was 271.

COUNCILMAN KOWAL REPORT

1. Work continues up at Mountain Lake Park for clearing and expanding the parking lot area.

2. Also, we're still removing the dead trees and cleaning up invasive vegetation around the picnic area so we can have more room to picnic in the shade. Thank you to DPW for that.

3. The Warwick Shade Tree Commission, Sustainable Warwick, and the Warwick Valley Rotary have donated eight trees to the park. And please join us at the park for the planting and celebration of Arbor Day on April 27th at 10 a.m.

4. The upcoming events at the park include the spring pickleball plans. I've already signed up, have you? I'm good. The guided hikes, they're very nice. They have a nice trail going around the lake there. And the pool seasons and swim passes, the best price is the earliest you can get in there. You can go online and get them. There's a couple of events going on at the theater. The Greenwood Lake Theater Company presents Steel Magnolias on May 4th, 5th, 11th, and 12th. Plus, a potluck and cabaret, the play cabaret, on May 10th. All this information can be found. I go to these things all the time. There's so much going on at mtlakepark.com. That's all I have.

COUNCILMAN MATTINGLY REPORT

1. We did receive some bids for the RFP that we posted in March for the fuels, propane, diesel, number two fuel oil, and gasoline. We are reviewing those at this point. I and Eileen and Supervisor Dwyer. We may actually do another RFP to try to obtain some better pricing. We may look at purchasing our own propane tanks, which would allow us to get even more competitive pricing for particularly propane. But again, we're assessing all the bids for all four fuels and determining what's the best way to go for all that. I also had made a suggestion. We've got a lot of products like the fuels that we need to bid for on a regular basis and it's a little bit of a cumbersome challenge for us. I had spoken to Supervisor Dwyer earlier this week about finding a way of creating a process, frankly, and possibly even automating those RFPs on a regular basis. So, it might take a little bit of time to create a system, input the information about all the contracts and when the contracts are expiring. But the idea would be to have all of our contracts in some type of database, where on a monthly basis we would maybe have the next 90 days of expirations come up on a report and be able to just get those sent out. Especially if we can, the level of automation we can take a look at and try to figure that out. But I think that would be an opportunity for us to really stay on top of that and get the best prices for everything we buy and do our best to obviously save taxpayer money. I think that's all I have today.

COUNCILMAN SHUBACK REPORT

1. I would like to say that all the parks are open except for the pool and the beach. So that would be Memorial Day. They've been working hard getting them all ready.

2. Also, too, being that we had a very mild winter, we had a lot of savings in salt. We didn't use our allotment. So hopefully we can take some of that savings and maybe do some more road work, repairs, and fix up some of the more blacktop, a little bit more area. But we'll do something good with that money because we saved a lot of money this year for not using all the salt. That's it.

ATTORNEY REPORT

Thank you, Supervisor Dwyer, as I always say, my report is largely confidential. However, I'm prepared to answer any questions from the Town Board.

Supervisor Dwyer - Are there any questions for the attorney from the board?

Town Board response - No.

Supervisor Dwyer - Thank you.

TOWN CLERK REPORT:

1. FEES COLLECTED – MARCH 2024

Interest in Town Clerk's Checking Account	\$3.59
MLP Deferred Revenue Next Year	\$1,340.00
MLP Art Studio	\$2,800.00
MLP Dance Studio	\$250.00
MLP Front Building	\$1,500.00

MLP Kitchen	\$1,7500.00
MLP Kitchen Per Hour	\$350.00
MLP Kitchen Storage	\$20.00
MLP – Lakeside Pavilion	\$580.00
MLP Lodge Dining Hall	\$1,230.00
MLP Lounge	\$250.00
MLP Lodge Lower Level	\$230.00
MLP- Office Large Room	\$400.00
MLP – Serving Station	\$15.00
MLP – Storage	\$50.00
MLP- Tablecloth	\$50.00

Julie Shiroishi Democratic	15.15%	2,306
Christopher Drago Democratic	13.82%	2,104
Christine Stage Democratic	15.14%	2,305
Barbara Graves-Poller Democratic	14.64%	2,228
Brandon Holdridge Democratic	13.81%	2,102
Frank L. Cardinale Democratic	13.05%	1,986

5. Request for Proposal for Maintenance & Snow Removal for Kings Estate Park District:

1. Elegant Landscaping

105 Glenmere Ave.

Florida, NY 10921

Bid Proposal: \$23,000.00 Annually

2. Landscape Impressions Associates, Inc.

PO Box 803

Tuxedo, NY 10987-0803

Bid Proposal: \$89,230.00 Annually

6. Requests for camera in the sanitary sewer lines at Mountain Lake Park:

1. Tam Enterprises

114 Hartley Road

Goshen, NY 10924

Bid Proposal: \$3,200.00 p/d

2. Coppola

28 Executive Parkway

Ringwood, NJ 07456

Bid Proposal: \$3,995.00 p/d

3. GPRS

Albany (518)-390-3725

newyorkinfo@gprsinc.com

Bid Proposal: \$2,900.00* p/d (does not include jetting the line)

7. ORANGE COUNTY MOBILE DMV UNIT

Will be at the Village of Florida Library will host the Orange County Clerk Mobile on Tuesday; April 16th DMV Unit located at 4 Cohen Circle in the Village of Florida from 10-12 (Closed 12-1) then re-open from 1-1:30pm. Everything that you would do at the DMV in Goshen you can do there as well.

SUPERVISOR REPORT

1. My report this evening consists of a summary of proposed resolutions the board will consider later in the meeting. The resolutions we discussed among many were the Orange County Tourism Grant. The town board will be submitting a grant to support the Fuller Moon Arts Festival at the Mountain Lake Park. We will be hiring a part-time groundskeeper, Thomas Schweigert, at a rate of \$18 per hour. We are going to adopt a resolution to select HDR as our engineering firm to do the FEMA culvert project replacement throughout the town. We have several bid results that the clerk just mentioned. We're going to vote on the results of those bids. We are going to schedule a public hearing on the Wickham Sewer District upgrade project. This is a project that we've been discussing, I think, every single board meeting since I've been here, where the Wickham Sewer District, which serves King's Estates, Wickham Village, as well as other parts surrounding the old prison property, that sewer plant was built in the 1980s, and it is in desperate need of repair, and the approximate cost is anywhere between \$12 and \$16 million to bring that plant back to what it needs to be and to prevent future emergency costs, which, as we have found, are generally double, if not more, when you're trying to repair something under an emergency basis. So, we're trying to proactively look for grant funding to help offset any costs, pretty much any and all costs, associated with the Wickham Sewer District plant. So, what we're going to do is we're going to have a public hearing scheduled for May 16th at our town board meeting, where we will provide the public with all of the information surrounding the objectives on the sewer plant in Wickham District. The meeting will be at 1 o'clock. So, the general board meeting for the May 16th meeting happens to fall at 1 o'clock, so the public hearing on that bond resolution will be 1 p.m. on that same day.

2. As the town clerk mentioned, the sewer mapping is one of the grants. We're going to pass a resolution to accept a grant or the bid from TAM for the sewer mapping project in Mountain Lake Park. This is to help us expand the parking capabilities of our grass lot that we have across the street, where, unfortunately, the sewer system lies, and we're just trying to protect that.

3. In addition, I updated the board on progress being made with Jane Street Bridge. As we apply for state funding, we seem to be getting attention from the state. A recent inspection of the bridge identified that it is unsafe to pedestrian foot traffic, and the DOT requested that we immediately install preventative measures. We've since installed the DOT-approved fencing around the bridge to keep people from walking over it. We know it's inconvenient, but rest assured there is a light at the end of the tunnel. I expect to have the results of our grant application any day now.

4. Our recreation director, Samantha Walter, has been working incredibly hard in putting together a town-wide emergency action plan relating to parks and sports organizations that may use our fields. It was brought to my attention that in January a new law took effect requiring towns and sports teams have an approved AED and cardiac arrest

plan in place. Sam and I have already met with many of the local rec teams to begin the process of working with each of them to collaborate on a unified plan. Thank you, Sam, for the great work. I received your draft plan today, and it looks very good, and we'll meet tomorrow morning to continue working on that.

5. I received a bid response to our RFP from a local company looking to rent kayaks, paddle boards, and pedal boats at Wickham Lake. The fee and the bid came in at \$1,000 per month paid to the town. We get a great benefit by highlighting this amazing lake and park, and the community will have greater access to enjoy nature at this park. The town board and our attorney will review the bid response, and we will look to act on this possibly at our next meeting. I did meet with Ben down there with the bidder and very satisfied with their goals and their plans, and I think it's going to make an incredible improvement to Wickham Park.

6. I'm happy to report that the town of Warwick Police Department has instituted a new policy. The town is comprised of four posts and three shifts per day. Over the course of those three shifts, the officer covering that particular post in the town will be required to perform checks on our local parks and public properties. So, this means, for example, Wickham Woodlands will be checked by a police officer at least three times per day, seven days a week. The same goes for Union Corners Park, Pine Island Park, etc. We've heard complaints of speeding, unleashed dogs at some of these parks, so the residents asked for us to address the issue, and we think this will do exactly that. This is not to say that our police officers were not checking parks before, but it will now be a mandatory check requiring a call into dispatch when the property check is completed.

7. I'm happy to report that, as per our recommendation, the Wallkill River Flood Committee has prioritized the Celery Ave ledge project. This project will surely have a positive effect on mitigating flooding in the Black Dirt region. We look forward to supporting the committee and Orange County Soil and Water as the project progresses.

8. As for some upcoming events, this Saturday is going to be a busy day around the town for Little League. Greenwood Lake has their Little League Opening Day Parade and Opening Day Ceremony, and that's going to be at 9 a.m. The kickoff for the parade is from Chase Bank, and it goes down to Lions Field at the end of Elm Street, and that kicks off at 9 a.m. Florida is going to have their Little League Opening Day Ceremony starting at 10 a.m. at their Little League fields.

9. The Warwick Valley Rod and Gun Club is hosting a Take a Kid Fishing Day, May 4th from 9 a.m. to 12 p.m. at Baird's Farm. This is a great event to get your kids out there doing some really wonderful stuff, fishing at one of our most beautiful properties in town, where the Wawayanda Creek traverses through. It's really a great, great time.

10. Arbor Day Celebrations, we have the 5th and 6th graders who entered into a poster contest. They're going to be right here in Town Hall on April 17th at 3.30 in the hallway, displaying their posters and kicking off Arbor Day Celebrations. At Mountain Lake Park, we're going to host a tree planting on Arbor Day, April 27th at 10 a.m., so the public is encouraged to be there.

11. Clean Sweep takes place between April 20th and April 27th throughout the town.

12. We're hosting Coolest Recycling Drive in partnership with Sustainable Warwick, where we'll be collecting refrigerated items, such as air conditioning units and refrigerators. One of the drop-off locations will be at DPW's Dial-a-Bus Center on April 22nd from 3 to 7 p.m. There will be other drop-off locations throughout the town. Florida, Greenwood Lake,

Village of Warwick, just take a look at the Town of Warwick website to find more information about that event, as well as other Clean Sweep activities for the week.

PRIVILEGE OF THE FLOOR

Deborah Wittels – Resident, Village of Warwick, NY - I just have a couple of quick questions. The first one is about the village roads and the town roads. They're deplorable, and I'd like to know what's going to be done with them and being fixed instead of the potholes just being filled in.

Supervisor Dwyer - Which roads specifically are you referring to?

Deborah Wittels - Just in the village itself, the town itself, going towards Greenwood Lake, by Corwin's, leading up past the deli, up in that area.

Supervisor Dwyer – So, those are all state roads. Although they fall within the village and the town, they're owned by and maintained by the state of New York. It's funny, I went to the senior center today to speak with them, and their biggest complaint, I mentioned roads, paving roads, and I thought they were going to start throwing chairs at me. Those are state roads. Now, not to say that their state roads are somebody else's problem. The Town Board, the previous Town Supervisor, the local Mayors, they have been pressing state officials every single week to get on those roads. And in fact, if you go out here and you look at the maps, there is a plan that has been promised, key word promised, by the state to address the roads throughout Warwick. Starting with the 94-corridor going through Florida and then working its way through the Village of Warwick and out to Price Chopper and that area and then working its way over Mt. Peter into Greenwood Lake. It's our responsibility as a town board to continue pressing them, even the commissioner and I had a conversation about Jersey Avenue, which is another state road, and I say to him, what are we doing about that? And he says, we've been fighting them every single week, trying to get somebody to pay attention to these roads. Again, they've committed to doing it. They've promised. We've heard New York State promise before. It's our job and our responsibility to stay on them, keep the pressure on them, keep the pressure on our elected officials, Senator Skoufis, Assemblyman Brabenec, and make sure that they understand our frustrations. But from our perspective, we've been doing everything we can to continue to press them and make sure that we're staying on their radar. So hopefully the answer is they're saying that by the end of this year, by the fall of this year, they will start the work going through the village of Florida and then working their way through the village of Warwick out toward Price Chopper and then making the left heading toward Greenwood Lake.

Deborah Wittels – So it's been in the process for quite a while.

Supervisor Dwyer - About three or four years. The reason it is, is because anything dealing with the state and whether it's wrong or right, the state overdoes everything. The level of bureaucracy to get anything done in the state is horrendous. So, what they do is they over engineer everything. They put every single thing as simple as paving a road must go through engineering. But they have to reroute culverts. They have to look at sidewalks.

They have to look at parking plans. They did put an extensive amount of time and money and energy into developing a plan to pave these roads. Some would say maybe it'd be better to just lay over a layer of asphalt and just move on. But I do believe that the state has shown a good level of commitment by putting in significant engineering resources to make sure that this is not just a patch, but rather a long-term solution, completely, replacing the layers of road that is the state highway. So, I genuinely I'm very skeptical of the state in almost every single sense. But they have shown a significant level of commitment in their investment already into improving the roadways through Warwick.

Deborah Wittels - Okay, I'm a pediatric nurse in the area and is there any way that a letter can be written to, you know, move this along?

Supervisor Dwyer - It doesn't hurt. I would say the biggest pressure should be put on our elected officials at the state level. Senator Skoufis, Assemblyman Brabenec. They should get a call every single day. They should get a letter. They're getting a lot of heat from across the county, across the district. Warwick is further along than most other places in the county in terms of getting paving done. And getting better quality paving done. Not just those little shabby jobs that you see with a half-way strip of asphalt going down the road.

We're very far in the process of getting these roads fully replaced. So, I think we've made a lot of progress with the state. I just think that the only thing we can do right now is press our state officials to get it done.

Deborah Wittels - Okay. It's not a problem. My second question was, it was brought to my attention just recently about Mount Alverno, that it closed. Are there any plans for any type of housing to be done with that? Or anything coming up in question? Because it was brought to my attention that they're looking at it maybe for the migrants.

Supervisor Dwyer - I don't know who they would be. That is in the Village of Warwick. And it wouldn't come before our Board. It wouldn't come before our planning board. We would essentially have no say unless it were a SEQA. And it was some sort of an action that required town board intervention. I have not heard anything. Doesn't mean I shouldn't inquire. So, fair question. I will definitely inquire and see if there's any discussion about what may take place there.

Deborah Wittels - Because it was brought to my attention by a local contractor in this area.

Supervisor Dwyer - Okay.

Deborah Wittels - Who was worried going around, and there's a rumor going around, that they're looking into that facility.

Supervisor Dwyer - Yeah, I find that hard to believe because I think the investment, like, there's just so much money in Warwick right now that I think an investor would probably beat anything like that to the punch. Doesn't mean it shouldn't be looked into.

Deborah Wittels - Okay.

Supervisor Dwyer - I'll take a look at that.

Deborah Wittels - Okay.

Supervisor Dwyer - Yeah, I think that's an important, even if it doesn't turn into that, I still think that that's a pretty significant location within the Town of Warwick that should be checked into.

Deborah Wittels - Because it's a good facility.

Supervisor Dwyer - It really is. Yup, absolutely.

Deborah Wittels - So, I mean, it wouldn't surprise me. You know, they tried.

Supervisor Dwyer - Well, you know, we live in a funny world these days. There's a lot of funny things happening, that's for sure. Can't overlook anything.

Deborah Wittels - So, when will, you know, will these questions be finalized? I mean, will it be at the next meeting? Do I have to go to a village meeting?

Supervisor Dwyer - Which specific question would be finalized?

Deborah Wittels - Well, I mean, with the town, with the roads, I mean, that's the least. Oh, no, I don't have an answer for you. No, I'll just call.

Supervisor Dwyer - Yeah, but I'm not going to come back on our April 25th meeting and say they're definitely paving the roads. I'm going to give you the same answer. I've seen with my own eyes the investment that they've made and they're committing to doing it. I take it for what it is. You know, but at the end of the day, we've got to pressure our state representatives to make sure that they do it. As far as the Mount Alverno, that's something I would go to the Village Board with and pose that question.

Deborah Wittels - When is their meeting?

Supervisor Dwyer - I don't know. Tom, do you know when the Village Board meeting is?

Councilman Mattingly - It's every other Monday at 7:30. and I believe I've checked my calendar, but I believe it's this coming Monday is our next meeting.

Deborah Wittels - And it's here, right?

Councilman Mattingly - No, it's in the village hall on Main Street.

Deborah Wittels - Okay, I'll be there.

Supervisor Dwyer - And if you get any good information, please report back.

Deborah Wittels - It was just brought to my attention, and I was just, you know, I mean, I've been up here 32 years. So, I was just trying to, I said I would come to this meeting tonight, see what's going on. If there was any word or anything was out there, or it was just somebody that just said something, that they're looking into it.

Supervisor Dwyer - I haven't heard anything even remotely close to it, but that doesn't mean that it's not happening.

Deborah Wittels - I'll go to the village meeting.

Supervisor Dwyer - Okay.

Deborah Wittels - All right. Thank you.

Supervisor Dwyer – Thank you for coming. I appreciate it. Sam, do you have anything else to report that we may have missed?

Samantha Walter – Director, Town of Warwick Recreation – No.

Supervisor Dwyer - Ben?

Commissioner Astorino - No, well, just that we took the plows and sanders off the trucks today. So, it will not snow again.

Supervisor Dwyer - It will not snow again.

Commissioner Astorino - This year.

Supervisor Dwyer - Do you know that we had an earthquake last week, and you're here saying it's not going to snow again?

Commissioner Astorino – I was on call. We had rain, wind, snow and an earthquake.

Supervisor Dwyer - Oh, man, I can't wait to blame you for the snowstorm we get next week. All right. Very good.

NEW BUSINESS:

#R2024-155 ADOPT LOCAL LAW NO. 3 OF 2024

Motion Supervisor Dwyer, seconded Councilman Kowal to adopt Local Law No. 3 of 2024 Amending Local Law No. 5 of 2023, A Local Law amending a partial tax exemption upon real property based upon the owner's volunteer membership in fire districts and ambulance districts of the Town of Warwick pursuant to section 466-a of the real property tax law to include deceased member partial exemption eligibility, so as to entitle un-remarried spouses of deceased volunteer firefighters and ambulance corp. to continue, or

reinstate, the exemption received by the deceased volunteer firefighters and ambulance corp. consistent with the applicable laws of the County of Orange and State of New York.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2024-156 2025 HUD PROJECT- GOVERNING BODY AUTHORIZING
RESOLUTION**

Motion Councilman Mattingly, seconded Councilman DeAngelo to adopt a resolution that the Town of Warwick is hereby submitting its Application for consideration under the FY-2025 Orange Urban County Consortium Community Development Program and the chief elected official or executive officer is hereby authorized to submit this Application for Winslow Therapeutic Riding Unlimited for a continuation of the Therapeutic Riding Program in the amount of \$25,000.00 as described in the proposal. Input from citizens and groups has been received and considered and the application has been prepared which addresses their community concerns. They further certify that they have read and understood the Orange Urban County Consortium Community Development Guidelines for the FY-2025 program year and have met all of its applicable requirements and that the information contained the application is accurate and true to the best of their knowledge. If awarded CDBG funds, the Municipality shall implement the activities in a manner to ensure compliance with all applicable federal, state and local laws and regulations.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2024-172 ACCEPT RESIGNATION DIAL-A-BUS ROBERT JACKSON

Motion Councilman Shuback, seconded Councilman Kowal to adopt a resolution to accept the resignation of Robert Jackson as a part-time Dial-A-Bus Driver effective immediately.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

**#R2024-173 STANDARD WORKDAY AND REPORTING TO NEW YORK STATE
AND LOCAL EMPLOYEES' RETIREMENT SYSTEM FOR ELECTED
AND APPOINTED OFFICIALS**

Motion Supervisor Dwyer, seconded Councilman Kowal to adopt the following resolution:

BE IT RESOLVED, that the Town Board of the Town of Warwick, New York/30311 hereby establishes the following as standard work days for elected and appointed officials and will report the following days worked to the New York State and Local Employees' Retirement System based on the time keeping system records or the record of activities maintained and submitted by this official to the clerk of this body.

ELECTED OFFICIALS:

TITLE	STANDARD WORK DAY	NAME	CURRENT TERM	RECORD Of ACTIVITY
Receiver Of Taxes	6.5	Ana Kanz	01/01/24-12/31/27	11.5

Town Councilman	6.5	Russell Kowall	01/01/24-12/31/27	3.34
Town Councilman	6.5	Thomas Mattingly	01/01/24-12/31/27	3.30
Town Supervisor	6.5	Jesse Dwyer	01/01/24-12/31/27	27.86
Town Justice	6.5	Karen Amundson	01/01/24-12/31/27	5.93

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Discussion: Supervisor Dwyer stated that this is for reporting purposes for New York State retirement system. What we have to do as elected officials, because we're not held to the same scheduling, so to speak, we had to show a report, a record of our activity. So essentially what I did was I provided my entire schedule, my calendar for every single day that I worked for Town Hall, and the Councilmen provided a record of their activity that they worked on behalf of the town. The receiver of taxes did the same, as well as the town justice. This is just basically reporting and certifying that these results, which the town clerk has.

Town Clerk - It's very detailed, and I keep a record of it if anybody wants to look, it's there. Very detailed.

**#R2024-174 SCHEDULE PUBLIC HEARING – WICKHAM WATER/SEWER
DISTRICT #1**

Motion Councilman Mattingly, seconded Councilman DeAngelo to adopt a resolution to schedule a Public Hearing to hear and consider public comments on proposed improvement of the facilities of the Wickham Sewer District #1. Said public hearing to be held on May 16, 2024 at 1:00pm or as soon thereafter as the matter may be heard at the Town Hall, 132 Kings Highway, Warwick, NY. All written comments must be received by the Board at or prior to the public hearing. The proposed improvements include new headworks building, upgrades to the aeration and clarifier tanks, sand filters, sludge dewatering process and electrical system, new supervisory control and data acquisition system, and other building and site upgrades. The estimated maximum cost of the proposed project is \$16,000,000.00 which includes estimated construction costs, 25% construction contingencies, and engineering, legal and administrative expenses. The project will be financed by a combination of grants and low-interest loans. A map, plan and report of the proposed improvements is on file in the Town Clerk's office.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2024-175 APPOINT COURT ATTENDANT – STEVEN HELMRICH

Motion Councilman DeAngelo, seconded Councilman Kowal to adopt a resolution to appoint Steven Helmrich as a Court Attendant at a rate of pay of \$18.25 per hour effective April 12, 2024.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

#R2024-176 ACCEPT BID PROPOSAL FOR CAMERA IN THE SANITARY SEWER LINES AT MOUNTAIN LAKE PARK

Motion Councilman Shuback, seconded Councilman DeAngelo to adopt a resolution to accept a bid proposal from Tam Enterprises for a camera in the sanitary sewer lines at the Mountain Lake Park at a cost not to exceed \$3,200.00 per day.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Discussion: Councilman Shuback asked if it was per day or the whole time.

Supervisor Dwyer explained that it is per day and will only take a day. It's per day to have the equipment there.

#R2024-177 ACCEPT BID PROPOSAL FOR VINYL FLOORING – RECEIVER OF TAX OFFICE

Motion Councilman Kowal, seconded Councilman DeAngelo to adopt a resolution accepting bid proposal from Floor Coverings International for vinyl flooring in the Receiver of Taxes office in an amount not to exceed \$2,950.00.

Motion Carried (5 Ayes, 0 Nays) Supervisor Dwyer declared this resolution duly adopted.

Supervisor Dwyer - The discussion I was having with the attorney related to the revocation hearing that we were having earlier, the reason we have these revocation hearings, really, we were able to see it play out in a positive way today. The individual brought some information to our attention that we felt was germane to our decision making. So, we don't have a decision at the moment. We will reserve our right to make a decision on this as to whether or not we will uphold the appeal or reverse the appeal and allow them to continue renting the short-term rental. The attorney has confirmed that that does not necessarily need to be done in a town board meeting. It can be done tomorrow. So, what I would suggest we do is wait to see if we get the information that the individual had mentioned that she is in possession of and if that is the case, then I would be of the mind that we allow them to continue their short-term rental operation.

Attorney Buckheit - Yes, Supervisor Dwyer, that's correct. At this point, the hearing is closed. There'll be no further information considered other than the substantiation of the representations that they made tonight. Upon receipt of the substantiation of the representations, then there'll be a written decision issued, which requires no further public

hearing. And it need not be done at a town board meeting. We'll issue that out and that will be provided to the appellant and it will be available to anyone at the Town Clerks Office.

Supervisor Dwyer - Is everybody good with that?

Councilman DeAngelo - Yes.

Councilman Kowal - Yes

Councilman Mattingly - Yes

Supervisor Dwyer - Okay.

BILLS: Motion Councilman DeAngelo, seconded Councilman Shuback to pay the bills as audited. Motion Carried (5 Ayes, 0 Nays)

PRIVILEGE OF THE FLOOR (GENERAL):

Michael Helm - Member of Sustainable Warwick - I want to thank the board for supporting the Coolest Recycle Drive.

Town Clerk - Can I put this on our website?

Michael Helm - Yes, please. As the brochures say, we collect all refrigerant-containing appliances. We did this last year. We got 130 appliances. We really appreciate the publicity that the town and other villages give it. Just last night, I was at the Greenwood Lake Lions and I actually posed for a picture with Floyd DeAngelo's wife and others. I gave everyone sunglasses and I'm hoping all of you will do the same. I brought sunglasses in the event you're available after the meeting to do that. Do you have questions about the Coolest Recycle Drive?

Councilman DeAngelo - Yes, I have a question. Do you take, like, old printers, computer printers?

Michael Helm - No. We take any appliance with refrigerants. So, air conditioners, dehumidifiers.

Supervisor Dwyer - Coolant. The coolest. The coolest. Right? Refrigerators and air conditioners.

Michael Helm - The reason for that is, in the olden days, those coolants, those chemicals, were very bad for the ozone. But that was long ago. Nowadays, last year, about half of the ones we got were the R22 machines that still have a little bit of bad things for the ozone. Most of them, though, all of them, though, have very intense greenhouse gases. So, I'd like to give this example. A lot of us know, like, what a pint of beer is, or a pint of ice cream. We know a pint is a pound, don't we? If you took a pint of gasoline, a pound of gasoline, and you burned it, it would make about three pounds of carbon dioxide. But if you took a single pound of this R410A, which is a really common refrigerant, coolant, and you just let it go into the atmosphere, it would act like 4,000 pounds of CO2. So, if only 10% of these machines, we

think, are properly recycled, where the refrigerant was covered, the others, they go to the landfill, and then, the pipes get loosened, and the refrigerant gets to the atmosphere. And so, it's a very simple way to, and cost-effective way, to prevent a lot of greenhouse gases.

Supervisor Dwyer - For those who are economically minded, it's a great free way to get rid of your... Junk.

Michael Helm - Your junk. That's right. We're happy to pay people who want to get rid of their junk.

Supervisor Dwyer - And we get paid for it. We're getting paid for all of these items. So, that's a great thing, too.

Michael Helm - That's right. Hudson Tech agreed to do the refrigerant recovery work this year for free. Last year, Sustainable Warwick paid a different company \$9 per machine. So, this year, we don't have any of that expense. And then, the scrap metal at the end, the DPW, I understand, is going to load it in the dumpster, and we'll get paid for that. It should be about \$4 or \$5 per machine.

Supervisor Dwyer - Great. Well, thank you very much for your hard work and organization on this. I think the publicity has been great. It's a great service to the community, and we appreciate it.

Michael Helm - Can I get that photo today after the meeting?

Supervisor Dwyer - Yeah, of course.

Michael Helm - Great. I brought some glasses in case you don't have yours here.

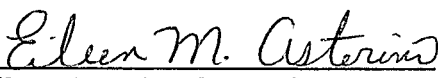

Supervisor Dwyer - Okay. Anyone else? Privilege of the floor. Okay. Our next Town Board meeting is April 25th. We don't have any public hearings or anything on that date, right?

Town Clerk - Nope.

Supervisor Dwyer - Wow. That's a first for a while. Our next Town Board meeting is going to be April 25th, which is a Thursday. It is always preceded by a public workshop that happens right here in town hall. So, that generally begins at about 6 p.m., between 6 and 6.30. Everyone's welcome to sit in on that, but the general meeting will begin at 7.30 promptly on April 25th. Thank you all very much for coming and that concludes our meeting.

ADJOURN: Motion Councilman Shuback, seconded Councilman Mattingly that the regular meeting be adjourned. Motion Carried (5 Ayes, 0 Nays) 8:26 p.m.

04-11-24 CP

Eileen Astorino, Town Clerk
