COUNCILMAN DE ANGELO REPORT

1. On Saturday, June 2nd Town of Warwick Police Officer Katie Hanson participated in the 2018 Policy Unity Tour. Along with 130 officers from various branches of law enforcement with Virginia's Chapter IV on a three-day approximately 230-mile bicycle ride. On Saturday, nearly 2,800 other participants met up in Washington D.C. to ride through the National Law Enforcement Officer's Memorial. The ride is to honor those who have died in the line of duty and to raise money for the National Law Enforcement Officer Museum which is to open this October. Lieutenant Rader I would like you to thank Officer Hanson for participating.

2. The Post Report for the month of May 2018 is as follows: Town outside the Village of Greenwood Lake had 228 calls, the Town outside the Village had 778 calls, Pine Island had 303 calls and the Village of Warwick had 603 calls for a total of 1,912 for the month of May.

Lieutenant Rader – School is going to be out soon for the summer and please be aware that there will be more kids out and about when you are driving, so drive carefully. We had Coffee with a Cop in the beginning of the month at the library with the seniors and that went very well.

3. From the Warwick Valley Humane Society their current population is 23 dogs, 90 adult cats, 24 kittens, 8 rabbits, 1 chicken and a rat called Templeton. All of those animals are up for adoption and Chet the rooster has been adopted. They are having a kitten shower on June 24th from 1:00 p.m. until 3:00 p.m. with kittens available to be seen. Punch, coffee and sweets to be served. The wish list for that kitten shower is an electric non-auto shut off heating pads, KMR powder, kitten bottles, nursing blankets, kitten cubbies, pate canned kitten food, kitten toys, paper towels, Q-tips, cotton balls, pine pellets and the wish list is on smile.amazon and choose us for your charity. Everyone is welcome and our phone number is 986-2473.

Councilman Shuback – How many rabbits do they have their yet Floyd?

Councilman DeAngelo – 8 rabbits.

Councilman Shuback – Oh they are down to 8.

Councilman DeAngelo – They are down to 8 I think they had something like...

Councilman Shuback – They had 18 to 40 so they are working at it.

Supervisor Sweeton – That's good.

COUNCILMAN KOWAL REPORT

1. Last month the Community Together came here and gave us the result of their visioning hearing, they had over the winter time for projects and things they would like to see come to fruition in the town and villages. One of the things suggested from the town was to make the Wawayanda Creek more accessible to canoes and kayaks. The idea is to start at Wawayanda Creek and boat all the way down to the village to enjoy the amenities of the village. We have gotten a group together and we are having a meeting on June 26th at 7:00 p.m. here at the Senior Center. Anyone who is willing to come out and help us clear brush and make an evaluation of what's there and what needs to be done. The Supervisor has checked with the DEC and we have a cutoff date of October 1st for any work that we can do. Whatever work that we can do this year we can try and pick it up again next year if we have to or if we get lucky enough have it done by this year.

Councilman DeAngelo – John Desanto from the Times Herald Record is doing the Wallkill.

Supervisor Sweeton – It's a beautiful trip and if we get some of the snags and things cleared it will be a lot of fun for the residents. Thank you for doing that.

COUNCILMAN GERSTNER REPORT

1. Our Summer Recreation Programs will be starting soon and I want to thank all of our organizers and directors for all of their hard work. The Town Recreation Program in Pine Island Paulette gave us a report today that 150 kids already registered in the Pine Island area and it is open now for the Town of Warwick Residents. I wish them all well and thank them for their efforts. Our beach will be opening in the next couple of weeks 7 days a week after graduation.

2. I would like to wish everyone a Happy Father's Day.

COUNCILMAN SHUBACK REPORT

1. DPW is cleaning the culverts on Big Island Road and Mt. Eve Road except for the one section they can't clean because they have to blast it. When the school year is over on Pulaski Highway at Skinners Lane they are going to close it to put new culverts in. They are having a problem because they added them but they raised up. Skinners Lane is important to me because that's where all of our land is and not only that there are a lot of farmers who have land there.

Supervisor Sweeton – Yeah, there's a lot of farmers farming out there.

Councilman Shuback – There's 40 or 50 pieces of different farming equipment running all day long.

Supervisor Sweeton – We will try to get in there before they start harvesting and the kids get home.

Councilman Shuback – Well, right after the school year so it could be next week or the following week. They might put it out to bid instead of the County doing it and then it would take two days instead of two weeks.

SUPERVISORS REPORT

1. The journal entries have been made for the Boards information with the Comptroller and they were all in order. Our checkbooks were all balanced and accounted for, so that's a good thing. We have moved some surplus money into a money market that is starting to bear a little more interest and that's helpful as well.

2. I think everyone will be graduated before we meet again so we want to wish all the graduates the best, to be healthy, happy and enjoy graduation but be safe. Don't drink and drive just enjoy yourselves.

3. Supervisors Corner is published each week in the Warwick Dispatch, with excerpts printed in the Warwick Advertiser.

BE IT FURTHER RESOLVED, that the AP-O Overlay District Qualifying Area Map be so marked to show the above John A. Wright, Jr. parcel as a participating parcel within said District.

Motion carried (5 Ayes, 0 Nays) Supervisor Sweeton declared this resolution duly adopted.

Discussion: Supervisor Sweeton stated that this is a farm in PDR and has been preserved and as part of that it was in the APO and the Town Board at the time just didn't catch that it needed to be dropped down on it. It is a working farm and that's why it's being entered this evening.

Motion carried (5 Ayes, 0 Nays) Supervisor Sweeton declared this resolution duly adopted.

BILLS: Motion Councilman DeAngelo, seconded Councilman Kowal to pay the bills as audited. Motion Carried (5 ayes, 0 nays)

PRIVILEGE OF THE FLOOR (GENERAL)

Walter Cisek – Resident, Southern Lane, Warwick, NY 10990 – My neighbors received a letter in the mail. I spoke to my neighbor at 24 Southern Lane who has 2 children. They set up a big giant tent past the creek on that property and that's where they've been holding weddings and all other venues and I'm not sure what they are doing.

Supervisor Sweeton – The Pioneer Farm has gone into PDR which is the land preservation and it's the bulk of the property. There's a section at the far top of the hill where the land rises up behind Southern Lane, it's a wooded area and that was kept out of PDR. There's a little section down at the other corner of Southern Lane near Carroll Drive I want to say. What's the first road that comes in?

Walter Cisek – Yeah that's Carroll.

Supervisor Sweeton – Right. At the end of Carroll Drive there's a little portion that they have an application before the Planning Board for two lots for two houses.

Walter Cisek – Is it going to be like parallel or adjacent to that?

Supervisor Sweeton – No, where Carroll Drive comes in and then it turns into Robert Drive I guess.

Walter Cisek – There are two homes here and a dead end and they are going to go further on the other side of the creek.

Supervisor Sweeton – Right, it will be a private drive off of the Carroll Drive.

Walter Cisek – On the other side of the creek?

Supervisor Sweeton – It will be on this side.

Walter Cisek – On this side, ok. That's two homes just developed?

Supervisor Sweeton – Yeah and they're before the Warwick Planning Board, so as adjoining neighbors they would get notification I think Ben?

Deputy DPW Commissioner Astorino – Yes.

Supervisor Sweeton – So that's that. As part of being in PDR as an active farm you have the ability to have a farm market which they are in the process of attempting to get and as part of that process they are allowed to have events on the farm. Now because they are in PDR they can't have permanent structures in the farm area and we have maps if you want to come out to Town Hall to actually show you that.

Walter Cisek – They had some more permanent trailers on the other side.

Supervisor Sweeton – Yeah, we're addressing that with them.

Walter Cisek – It's all covered with foliage now so you can't see anything there now, but my friend Scott lives at 24 and he said there's a giant tent on the other side of the creek and I'm 500' away and he's right there. My problem is my house the windows are shaking, DJ is screaming and yelling and it's a new kind of venue, it's crazy.

Supervisor Sweeton – We've met with them and their attorney to tell them where on the farm they are permitted to hold these kinds of events.

Walter Cisek – Can they move a little further away? That would be nice.

Supervisor Sweeton – That's the direction we're working with them on.

Walter Cisek – That's nice and that's all I'm looking for. The only thing I picked out of that was future plans.

Supervisor Sweeton – I think what they want to do was make the Southern Lane neighborhood aware of the two homes that they're planning on building.

Walter Cisek – Thank you. We know we need to make money and we would invite you over to have lemonade and discuss future plans.

Supervisor Sweeton – I don't know how familiar you are with PDR.

Walter Cisek – Not.

Supervisor Sweeton – The bulk of the farm is 170 acres and a bulk of their farm is under land preservation, so they are not going to be building homes on that farm with the exception of the two homes down there on the bottom.

Walter Cisek – So they are not building three homes?

Supervisor Sweeton – I think it's 2 isn't Ben?

Deputy DPW Commissioner Astorino – Yes.

Supervisor Sweeton – It's only two.

Walter Cisek – That's good.

Councilman Shuback – But they are preexisting.

Supervisor Sweeton – No these are new. They have the ability but need a couple of variances.

Deputy DPW Commissioner Astorino – Mike I took Walters number and we are going to look at the maps tomorrow.

Supervisor Sweeton – Ben is our Chairman of our Planning Board.

Walter Cisek – I just want to ask you this question.

Supervisor Sweeton – Go right ahead.

Walter Cisek – the big giant tent is behind 24 Southern Lane and I live at 32 and the sound is unbelievable. My son came up and said what the hell is going on the house is shaking? I mean real loud. They have until 11:00 p.m. that they can play the music too?

Supervisor Sweeton – We have a noise ordinance that I think is 11 but I would have to look at the code.

Walter Cisek – Ok, well they've been going until 12 or 1.

Supervisor Sweeton – In that instance you would call the Police Department and they would go over.

Walter Cisek – Scott said the police are coming to his house because they think he's having the party.

Supervisor Sweeton – Well we don't want them doing that. We're working out it with your neighbors and we had a meeting with their attorney and Matthew to go over what they can and can't do.

Walter Cisek – Last year you would hear regularly oldies and stuff but this year have you guys been to a wedding lately with the disco music and boom, boom and everyone in the place is screaming. It's crazy with the DJ's now. It's not a normal wedding with the polkas and Irish dancing, it's not like that. The DJ takes over and starts screaming.

Supervisor Sweeton – I would say stay tuned.

Walter Cisek – All right. Are they allowed to have as many venues for the year? They can have a wedding every weekend?

Supervisor Sweeton – My understanding is they are going to have six and they are allowed twelve.

Walter Cisek – They're allowed twelve.

Supervisor Sweeton – Yes.

Walter Cisek – They've have three or four already. That's not bad.

Supervisor Sweeton – Ok? But we are going to get straighten out where they can be. They've had issues and we're aware of it and we are pursuing it through the channels that we have.

Walter Cisek – I didn't want to knock on the guys door and I don't know the guy.

Supervisor Sweeton – They're actually nice. Matthew is young and he needs to understand the guidelines and we're going to make him understand the guidelines.

Walter Cisek – Thank you.

Supervisor Sweeton – You're very welcome.

Councilman Gerstner – Starting Wednesday night June 20th through Saturday June 23rd the carnival is back in town for the Warwick Fire Department and the fireworks will be Saturday night the 23rd at 10:00 p.m. with a rain date of the 24th.

Councilman Shuback – In August there will be in the Village of Florida the Florida Family Funfest. I think August 15th.

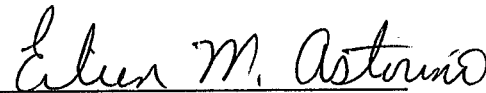

Supervisor Sweeton – You're correct in the Village of Florida. There are good times around in Warwick.

Someone asked who was awarded the bid for the installation of the electric to the pavilion and the restroom.

Supervisor Sweeton – Who received the bid? It was Leshinski Electric the low bid. All of the bids were to the low bidder.

ADJOURN: Motion Councilman DeAngelo, seconded Councilman Gerstner that the regular meeting be adjourned. Motion Carried (5 ayes, 0 nays) 8:03 p.m.
