They hire college students to go around the neighborhoods and canvas people and solicit donations. There isn’t anything that prevents that and I just want to make the public aware that they are in the town doing that and to be aware.

Also, I want to mention the Orange County Industrial Development Agency will be holding a public hearing here on September 10<sup>th</sup> at 11:00 a.m. in the Town Hall to consider the application of Kraftify LLC to provide sales tax and mortgage tax exemptions for improvements that the Kraftify that will be potentially making at one of the buildings at Mid-Orange Correctional Facility. **COUNCILMAN DE ANGELO REPORT**

1. The Post Report for July 2018 is as follows: Greenwood Lake had 197 calls, the Town outside the Village had 711 calls, Pine Island had 234 calls and the Village of Warwick had 518 calls for a total of 1,660 for the month of July.

Police Chief McGovern – Just to touch base and I see it's on the agenda active shooter training for the police department. That was a grant that the county is providing us some funding for that. We also received a response from the State for child safety seat funding, so we will be able to continue that program but not at the extent that we had hoped. The State is getting stingy with the money that they hand out compared to the flaming hoops of fire we have to jump through to get it. You never know when you're going to get any money back or not. We are here momentarily before going back out to Ladies Night Out in the Village of Warwick.

Supervisor Sweeton – It seemed pretty busy tonight when I came through earlier.

Police Chief McGovern – It's pretty well controlled so far.

Supervisor Sweeton – That's good. It's a great event and everybody seems to have a good time. I want to thank you Chief and the Lieutenant because I know you worked hard with the School Systems, all three School Districts in our Town to meet their needs and providing security at the schools in this upcoming season. It's the time we live in and you guys did a great job in getting that all worked out with them. There's a resolution tonight authorizing me to sign an agreement with all three schools and the schools are very grateful that they will be having trained police professionals on site in all the school buildings, so thank you.

2. The Warwick Valley Humane Society current has as list of residents with 22 dogs, 82 adult cats, 58 kittens, 7 rabbits, 4 guinea pigs and 1 rooster. They are all eligible for adoption, so if you need a friend to take home just remember the Humane Society. On September 8<sup>th</sup> they are having a Cruisers for Critters fundraiser at the Warwick Drive-In which includes classic cars, hogs and motorcycles. There are no entry fees, there's trophies, music, food, raffles and it's a child friendly event and you can contact Taylor at wtbtq.com for more information. That will be on September 8<sup>th</sup> with a rain date of September 9<sup>th</sup>. On Sunday, September 16<sup>th</sup> they are having the 7<sup>th</sup> Annual 5K4Paws road race at Glenmere Lake in Florida. The entry fee is \$25 on active.com and you can send a check or money order to Warwick Valley Humane Society, P.O. Box 61, Warwick, NY 10990. There is a free

t-shirt if registered before August 31<sup>st</sup>. contact Lisa at [lisee94@hotmail.com](mailto:lisee94@hotmail.com). On Sunday, September 23<sup>rd</sup> they are having acupuncture for pets by Pam Shultz, she is a DVM, CVA of Orchard Grove Animal Hospital. It is \$25 for 25 minutes sessions. The benefits include pain management, stress reduction, GI health, immune support and more. There is limited space so call 986-2473 for a reservation. They have their wish list for dish detergent, pate style canned cat food, Science Diet only dry dog food and cat food, paper towels, tissues, hand soap, cotton balls, alcohol, equine /feline pine pellets and heavy-duty garbage bags and they appreciate any donations.

#### **COUNCILMAN KOWAL REPORT**

1. I have to apologize to the Board I have not been very active in the last several days. I've been sidelined with a detached retina and I had to stay immobile for that and was not able to participate in much of all activities that I have been. I am looking forward to our 11<sup>th</sup> annual onion eating contest on September 2<sup>nd</sup> at 4:00 p.m. I was hoping people would come out and enjoy the fun event and it's a way to give attention to the onion growing industry in Pine Island and this is something the chamber has enjoyed doing for over a decade now.

#### **COUNCILMAN GERSTNER REPORT – Absent**

#### **COUNCILMAN SHUBACK REPORT**

1. The Highway Department seems to be finding more potholes, broken culvert and whatnot. Someday they will catch up but it won't be while I'm here.

## **SUPERVISORS REPORT**

1. The Community Preservation Fund receipts for July were 116,192.58 bringing the total current balance in the fund to 2,389,551.83. I am very pleased today to tell the Board that we closed on the Grizzanti Farm Development Rights so that adds to almost 4,000 acres total for the conservation easement. There was a report just recently issued by New Paltz in conjunction with Regional Plan Associates that tally the economic benefit of open space and preserved land. They will be sharing that in a forum in November with the Citizens Foundation and Warwick was cited as one of the examples in their study. It is an amazing contribution to the farm and to the economy.

2. Next week and I believe the PD has been notified they will be paving on Route 17A and Route 94 from Scanlon Avenue just the edge of the Village of Florida toward Warwick and they will get as far as Horse Hill Lane. They won't get all the way to the Village but they expect to be on site Tuesday, Wednesday and Thursday. There will be delays so if you commute that way or travel that way be aware its going to take you some time, but sorely needed. It's a very, very bad stretch of State Highway so we are very grateful the State is finally getting to do it.

3. The Chief covered the grant award for the Active Shooter Training. It's especially important in this day and age that we keep up our training and the department works hard at it and that would be a great boost.

4. The Senior BBQ is next Tuesday at Union Corners Park. Those of you who don't know it is free to the Senior's luncheon day in the park. It starts at 11:00 a.m. and ends at 3:00 p.m. We have volunteers from all service organizations that come out. Mike Coleman of Mikes Custom BBQ cooks chicken to serve chicken dinner. Area farmers and thank you Councilman Shuback provide corn on the cob, salads and we do give them a hotdog earlier in the day and it's a fun time and we have a DJ. If you know of a senior who lives in the Town of Warwick that has not gotten a ticket please have them come to my office and get a ticket there is still time.

5. The Village of Warwick has declared themselves lead agency for a study on an upgrade to its waste water treatment plant and they would like everyone to know that. They have some ambitious plans to upgrade their sewer plant.

6. Journal entries have been made and have been verified by myself and the Comptroller.

7. Supervisors Corner is published each week in the Warwick Dispatch, with excerpts printed in the Warwick Advertiser.
